

Pure plant-sourced, Aveda all but began the organic trend in hair care more than twenty years ago. Aveda texture lotions are infused with organic marshmallow root. Air-infused technology propels Aveda hair spray. Aveda shampoos and conditioners are made with complex natural aromas that change your mood as you change your hair.

Faculty and Staff Assistance Program, Department of Human Resources invites you to a Hair Care presentation with the,

## *Aveda Institute of Washington DC*

12-1PM: Thursday, May 10, 2007  
Gervase Conference Room

The presentation is designed to inform the audience on smart ways to help their hair during the summer and will cover basic hair care topics. The speaker will take questions after the presentation and address your individual hair concerns.

The presentation is free and requires no reservation. All GU Faculty, Staff and Students are welcome. If you have any other questions or concerns, please contact Sandy 7-2409. The directions to Gervase Conference Room appear on the next page.

## Directions to the Gervase Bldg. and the Conference Room

You might want to look at this link

<http://explore.georgetown.edu/locations/index.cfm?Action=View&LocationID=33> of the Georgetown campus; Gervase is number 53.

Also:

- If you walk under the New North tunnel towards the Dahlgren chapel and then pass the chapel on your left, Gervase will be the next building on the left.
- Or, if you start at the Lauinger library and head downhill towards the Southwest Quad, Gervase will be on your right after the statue of St. Joseph.

Gervase Conference Room is on the **first floor**, so you'll need to enter the door that faces east. (Standing outside the door you will face the Ryan Hall). From this entrance you take a few steps up and enter on the first floor. There is a reception area and to your left is the walk directly to the Gervase Conference Room.
